

# **Richard Grusin**

*Co-Author of Remediation: Understanding New Media*

## **Premediation and the Mediaphilia of Anticipation**

*Premediation extends the theoretical concerns of Remediation both historically to the period after 9/11 and politically to the ways in which print, televisual, and networked media mobilize individual and collective affect in an era of heightened securitization.*

**Thursday, January 29, 2009**

**6:00pm - 8:00pm**

**Ryerson University, Rogers Communication Centre  
Third Floor, Room 359A**

*Infoscape Research Lab [www.infoscapelab.ca](http://www.infoscapelab.ca)
